### Health Nugget

"Obese women (n = 54) were randomized to either the IFCR-liquid (IFCR-L) or IFCR-food based (IFCR-F) diet. The trial had two phases: 1) 2-week weight maintenance period, and 2) 8-week weight loss period. **Conclusion:** These findings suggest that IF combined with CR and liquid meals is an effective strategy to help obese women lose weight and lower CHD risk." *Ref.: Intermittent fasting combined with calorie restriction is effective for weight loss and cardio-protection in obese women.*

## FOR YOUR INFORMATION (cont)

**Church Upstairs Clean-up** will be done the second week of February. If you have any items that you want to keep, please claim them before then.

**Fresh Flower Bouquets.** It has been requested that each Sabbath a nice flower bouquet be provided for the church service. For those wishing to be a part of this project, there is a sign-up sheet in the foyer. The bulletin will note on Sabbaths they are provided for a special occasion, e.g., birthday, anniversary, in memory of a special person, etc. as well as the individuals providing them. It will be the donor’s responsibility for notifying the bulletin secretary of these special occasions. After the service, flowers can be taken home or used for visiting ministry.

**A New Non-Pictorial Directory** will be out shortly. If you have a change of address, telephone no., cell no., email address, please notify Pat Curtis at 642-2396 by Feb 23. We want this directory to be as up-to-date as possible. The Pictorial Directory will be updated with new photos later this year.
