“Then I saw another angel flying in the midst of heaven, having the everlasting gospel to preach to those who dwell on the earth—to every nation, tribe, tongue and people.”

Revelation 14:6 (NKJV)

Thank You to all the participants involved in our Worship Service today.

Health Nugget

In frail, obese older adults, lifestyle interventions associated with weight loss improve insulin sensitivity and other cardiometabolic risk factors, but continued improvement in insulin sensitivity is only achieved when exercise training is added to weight loss. *Ref: International Journal of Obesity Volume38, pages 423–431(2014)*
