Memory Text

“So it was, when I heard these words, that I sat down and wept, and mourned for many days; I was fasting and praying before the God of heaven. And I said: ‘I pray, Lord God of heaven, O great and awesome God, You who keep Your covenant and mercy with those who love You and observe Your commandments’.”

Nehemiah 1:4, 5 (NKJV)

Thank You to all the participants involved in our Worship Service today.

Health Nugget

Conclusion: The reported observational studies suggest that frequent private prayer is associated with a significant benefit for depression, optimism, coping, and other mental health conditions such as anxiety. *Ref.
